

3 Reasons you should join Scentsy Club!

Scentsy Club is here!!!

Scentsy Club is our brand new service that delivers your favorite Scentsy consumables on your schedule. Scentsy club is easy, flexible and has great perks. Here are 3 reasons why you should join Scentsy Club.

Convenience.

You can pick your schedule. You can have Scentsy Club deliveries once a month, every two months or every three months. If you don't need much, just get it delivered every 3 months. If you are a power Scentsy user, get it every month. You can also modify your orders and get different items each time. You can even skip a product or shipment as many times as you'd like. However, shipment of any Always Get My Bar fragrance (see below) in your subscription can only be skipped twice in a calendar year before it is automatically and permanently removed from your subscription.

Free Shipping.

You can get free shipping if your orders are over \$60. If your order is less than \$60 but more than \$30 your shipping will only cost \$5. If you don't need a lot, just get your order every 3 months and make sure you order over \$60. Easy.

Always Get My Bar.

Ok, I saved the best for last. This is AWESOME. If you pick a bar that gets discontinued, Scentsy will keep making it and sending it to you as long as you keep asking for it and stay in the club. There are some rules you need to follow for this one but it is super simple. Click [HERE](#) for more info.

Bonus .

I know I said 3 reasons but I have to mention Bricks. If your order is over \$30, you can also order a Scentsy Brick for \$24. If you aren't familiar with Scentsy Bricks, they are over 5 times bigger than Scentsy Bars.

What can I get?
