

[Cheap Scentsy?](#)

I admit it. That title is click bait.

Cheap Scentsy products do not exist.

However, I want to help you get the best VALUE on your Scentsy products.

GOOD NEWS!!!

During the month of February, almost all Scentsy products are 10% off. Some products are excluded such as charitable cause products, licensed products and a few special bundles.

Now is your chance to stock up on Scentsy. Order now and get 10% off.

I recommend getting a bundle of [6 Scentsy Bars](#) for \$27. That comes out to \$4.50 per bar. Bars usually sell for \$6. Get the bundle of 6 for the best value.

Check out all of the Scentsy [Warmers](#) and [Diffusers](#) too.

Feel free to browse all [Scentsy Products](#). Like I said, almost everything is on sale.

There are no cheap Scentsy products, but now is a great time to get a great value.

If I can help, please don't hesitate to call or text.

Thanks,
