love this sweet and tart combination.

similar to some of our Scentsy Man fragrances.

## Don't hesitate.

This collection is limited edition. That means Crystal Collection will only be here for a limited time. These type of promotions always sell out.

### You have 3 options when purchasing the Crystal Collection.

1. The [Crystal Wax Collection](#), including an organza gift bag and a decorative tag. (I recommend this one). You get all 5 fragrances in the collection. The cost is \$24. That is five bars for the price of four.

2. [The Crystal Wax Collection bundle](#). Mix and Match any of the five fragrances. This does not come with the gift bag or tag but it is still a great value at \$24. You still get 5 bars for the price of four. You can get all five of the same fragrance or any combination you choose.
3. Individual bars from the Crystal Wax Collection. These bars sell for \$6 each if you want to buy them in small quantities. That is the regular Scentsy bar price so, I highly recommend one of the above options to get a great deal.

Whatever you choose, you can't go wrong with the all new Scentsy Wax Crystal Collection.
