

# Habitat for Humanity

## Join in the effort!

Purchase great Scentsy products and support a great cause! Every year Scentsy partners with an amazing cause and helps raise money. This year we are joining forces with Habitat for Humanity. We have two amazing products that you can purchase and join in the cause. We have the Built with Love Scentsy Warmer and the Wash for the Heart Scentsy Laundry Bundle. If you purchase either of these products, we will donate \$9 to Habitat for Humanity. This promotion is valid through August 31, 2018.

From the porcelain finish that glows when lit to heart accents and tiny window panes, this sweet little house supports the Habitat for Humanity mission to help build decent, affordable homes with love.
