

[Join Scentsy in February for \\$49!!!](#)

That's right, you can join Scentsy in February for just \$49. This is an amazing opportunity!!!

If you choose the \$49 option, you get the "essentials only kit". The essentials-only kit contains all the must-haves for launching a successful Scentsy business:

- 1 Star Dance Warmer (MAJOR upgrade!)
- 1 Scentsy Bar
- 1 Spring/Summer 2018 Mini Tester Set
- 1 pack of Print-Your-Own Labels
- 1 pack of Order Forms
- 1 pack of Spring/Summer 2018 Catalogs
- 1 pack of Showcase Brochures
- 1 pack of Product Lists
- 1 Quick-Start Guide
- 1 Consultant Guide
- 1 Product Training Guide

FYI, if you simply ordered the Star Dance Warmer, it would cost you \$45 this month (regularly \$50 but it's 10% off in February). So basically, you can

join Scentsy and get a bunch of stuff all for the price of a Scentsy Warmer. Believe me, this can be a life changing opportunity. Just ask my husband. He loves the fact that he quit a job that he didn't really like last year and now helps full time with the Scentsy business, and the kids.

If you prefer to get the "regular" kit you can still join for \$99. Everything you need to move from one selling season to the next! Includes Fall/Winter and Spring/Summer catalogs and scent testers, plus beautiful products, order forms and other business tools.

Note that in February you will get Fall/Winter testers as well as

Spring/Summer testers. You usually only get one set, but if you join in February (or August) you get both because of the transition to the new catalog that starts in March. Bottom line whichever choice you make, February is a great time to start your Scentsy Journey.

I will also be your mentor and I am committed to help you in whatever way you like. I love working with my fellow Scentsy sisters!!! You can reach me by phone, text, Facebook, email, etc. I am here to help. If you want to talk about the opportunity, please call me at 520-981-5251.
