

## [Join Scentsy For \\$49](#)

Anytime is a great time to become a Scentsy Consultant. However, February is even better.

**You can [Join Scentsy](#) for \$49 in February!!!**

That's right, only \$49. You will get everything you need to start and run a successful Scentsy business.

Here's what you get.

- One of our best selling Scentsy Warmers
- 80+ Scentsy Fragrance Testers
- Scentsy Catalogs
- The First 3 months of your own Scentsy website are free (\$10/month after that)
- Scentsy Order Forms
- and even more business tools.
- Last but not least, you will get a mentor dedicated to helping you (that's me, Christy)

What are you waiting for? This opportunity could change your life. It has

changed mine. My business has grown to such an extent that my husband was able to leave his traditional career that he had for 17 years and we now work our Scentsy business together. We have never been happier.

Not everyone will run there business the way I have and I respect that. I will help you reach your goals, whatever they may be. Hey, you may simply be a kit napper and use the stuff that comes in the starter kit yourself. You wouldn't be the first person to do that.

or

Call/text me and we can talk about it. I'd love to help you!!!

Oh yeah, I should tell you that you can also join Scentsy for the usual \$99 and you will get the usual starter kit that contains more products/supplies.

Thanks and best wishes.
