## [Introducing Scentsy Friends!!!](#)

These little dolls are brand new and you (and your little dolls) will love them.

Your little ones will love finding their BFF Scentsy Friend! These darling dolls are the same size as our Scentsy Buddies, so they can share Buddy Clothes. They each come with an adorable mini Buddy (not sold separately) in their pocket and includes your choice of Scent Pak. Scentsy Friends are 16 inches tall.

## [Say Hi to Emily!](#)

She is so adorable in her little blue dress with elephant print. She loves elephants and comes with her very own Eliza the Elephant Mini Scentsy Buddy. Your kids will never forget Emily (and Eliza).

## Introducing Sierra!

Sierra is super cute as well. She sports a darling little floral print dress. Sierra comes with her very own Sweetie Pie the Lamb Mini Scentsy Buddy.

Add your favorite Scent Pak to any Scentsy Friends to add Scentsy Fragrance to your little darling's room.

Scentsy Friends are brand new and are sure to be lifelong treasures for your family.

If I can help you with Scentsy Friends or anything else, please call or text.
