

[Scentsy Holiday Bricks](#)

[Scentsy Holiday Bricks](#) are back!!!

Everyone loves [Scentsy bricks](#). Well, they are back in five amazing holiday scents, for a limited time.

If you are not familiar with [Scentsy Bricks](#), you should be. They are like giant Scentsy bars. It takes almost six Scentsy bars to equal the size of one Scentsy brick. They are 15 ounces of Scentsy wax. They sell for \$24 (6 Scentsy bars sell for \$30). However, you can get the [Holiday Scentsy Brick Bundle](#), which includes two bricks for \$40.

This year we have Scentsy Bricks in the following Scents.

Blizzard Berry: Bursts of frosted winterberry and clementine zest are sprinkled with sparkling sugar crystals.

Blue Christmas: Enjoy the holiday fragrance of orange peels, cloves, fir needles and cinnamon sticks.

Christmas Cottage: A cozy, inviting blend of Valencia oranges, raspberries, cloves, and spices.

Cranberry & Tinsel: Savor mulled cranberries, Siberian fir needle and cedarwood.

Ginger & Spruce: Enjoy towering spruce dotted with fresh ginger and vivid notes of cassis.

Remember that Scentsy Bricks are only here for a limited time. Get them now and enjoy them all season.

You can always order through the website or call or text me if you would like assistance.
