

[Stargaze Scentsy Warmer!!!](#)

For those of you who are unfamiliar with the Stargaze Scentsy Warmer, check this out. It was the biggest selling warmer in Scentsy History. It went on sale January 1st and sold out in one day. It took several months for Scentsy to catch up with demand. Well, the good news is that you can now order Stargaze with no concerns of having to wait. The rush may be over, but the beauty of the this warmer is still the same. If you haven't ordered one yet, now is your chance.

Please note that the Stargaze warmer is truly unique. Due to the manufacturing process, each warmer features a dazzling display of light and color so special, no two are quite alike! When lit, each Warmer offers its own unique combination of mesmerizing streaks and bursts that simply must be experienced!
